

CALL FOR APPLICATIONS BASED ON QUALIFICATIONS AND INTERVIEW FOR THE FILLING OF A POST OF RESEARCHER

APPOINTMENT OF EXAMINING COMMISSION

THE DIRECTOR OF HUMAN RESOURCES

Given that

- In the framework of its scientific research activity, the Centro Cardiologico Monzino selects candidates to be included in the project entitled "**Novel molecular targets for cardiac regeneration**".
- to support the activities of said project, the Centro Cardiologico Monzino needs to recruit an external professional figure, with expertise in the field of molecular and cellular biology (in particular in the field of cardiology and/or oncology), in order to guarantee the proper performance of the research lines in which the Project referred to in the previous point is articulated;
- on January the 15th of 2024 the Public Notice for the selection of the professional figure mentioned in the previous point was published on the home page of the website of the Centro Cardiologico Monzino, IRCCS, in the section "Announcements and Competitions", a selection to be carried out "in such a way as to guarantee adequate publicity of the selection notice, the widest access to the candidates, transparency and rigour of the procedure" .
- The deadline for submitting the application to take part in the selection in question expired on January the 22nd of 2024.

Noting that

an Examining Board is appointed for the assessment of the candidates, which shall first examine the applications received, checking their eligibility requirements, and subsequently assess the candidates' qualifications, conduct and evaluate the oral interview test and approve the merit list.

All of the above being stated and noted

ORDERS
