## TRAINING COURSE

### objective

Hands on cardiac CT is a practical course, aimed at medical doctor who wish to gain experience with this imaging modality in cardiology. The tutoring is modulated and shaped on the needs of the individual visitor and it is aimed at both physicians starting with this activity or with experience in this field. The course includes the attendance of the Cardiovascular CT Unit with a “doctor to doctor” modality. The visitor will reach autonomy in the acquisition, processing, interpretation and reporting of different application of cardiac-CT exam.

### equipment for the course

- Discovery 750 HDCT
- 5 Post-processing Work-Station AW Volume Share
- Post-processing Software:
  - ▶ Study of coronary circulation
    - CardIQ-XPRESS
    - Smart Score
  - ▶ Applications of electrofisiology
    - CardEP

### target participant

This course is indicated for General Practitioners, Specialists in Cardiology, Radiodiagnostics, Nuclear Medicine.

### course structure

The course consists of single or multiple days of work with timetable based on the needs of students who require an active participation in terms of preparation, execution, postprocessing reconstruction and reporting of different clinical applications of cardiac CT. The number of daily Cardiac Examinations varies from a minimum of 8 to a maximum of 12 Cardiac CT exams.

Alternatively to the daily clinical activity, a dedicated post-processing work-station will be available for the physician, with previous cardiac-CT cases recorded, dedicated to the different cardiac-CT applications, including normal coronary arteries, pathological coronary arteries, congenital coronary abnormalities, coronary-artery by-pass graft, coronary stents, chronic total occlusion, cardiac mass, cardiac venous system, left atrium and pulmonary veins and aortic anulus. For each course there will be a dedicated tutor.

## REGISTRATION FORM

Hands on Cardiac CT

Please fill out and send the form to the fax number +39 02 4954 2900 / 02 6686 699 or make your online registration through [▶ cardiologicomonzino.it](http://cardiologicomonzino.it)

*You will receive our confirmation letter, as well as the instructions for payment.*
